

Patents Manager

Total IP management for Small and Medium Enterprises

Securing Patent Protection

- Know the costs
- Understand the procedure
- Instruct your attorney online

Securing patent protection for your core technologies can be confusing and expensive. That's why Patents Manager offers a complete solution to patenting for Small to Medium Enterprises.

Use the secure website to build your patents portfolio online in partnership with your Patents Manager registered attorney.

Costs for each stage of the procedure are

agreed in advance and available at the click of a button, helping you to plan your budget. You can even search the law relating to Intellectual Property Rights. Its easy to register online – just fill in the details in the simple form. If

you don't have an attorney to manage your patents and IPR then select any

participating Patents Manager registered attorney from the list. If you already have an attorney and would like to use Patents Manager to manage your patents and IP portfolio, then please ask your attorney to register online. Or call +44 (0) 20 7704 9997 for more details, or visit the demonstration website at www.ipr-manager.com*

Patent Manager registration is open to SMEs and individual clients, as well as all registered and qualified European and national Patent Attorneys.
